Winner ~ 2009 Betty Lynn Buckley Award
for Excellence in Set Design

Please help us to continue our support of Birdville High School's award winning theatre program. Your booster club membership dollars allow us to provide financial support for costumes, program printing costs, and other necessary expenses for the BHS main stage and musical productions. We also provide scholarships to deserving graduating Thespians.

Our Booster Club volunteers also assist the theatre program by raising funds to support the program through sales of cookies and pretzels once a month and Chick-fil-A chicken biscuits two mornings a week. We also conduct other fundraisers throughout the year. We provide important support to the Theatre Director in any way we can. For example, we help run front of house operations during productions, provide assistance with costumes, technical build days, assist with ticket sales, program ad sales, communication, etc.

Please contact us with any questions at bhstheatreboosters@gmail.com.
